Dear Sir:

Pursuant to 37 C.F.R. Section 1.97 - 1.99, the Applicant wishes to make the references referred to on the attached PTO Form 1449 of record in the above-identified application. This (Resubmitted - - Second Copy) Supplemental Information Disclosure Statement is a duplicate of the Supplemental Information Disclosure Statement filed on June 17, 2003 and the (Resubmitted) Supplemental Information Disclosure Statement filed October 28, 2003. Applicants have provided this (Resubmitted - - Second Copy) Supplemental Information Disclosure Statement pursuant to Examiner Fredman's request in a telephone conference with Applicant's representative on January 12, 1002. Examiner Fredman indicated that the two previously submitted Information Disclosure Statements and the references have been lost at the Patent Office. Previous to this telephone conference, Applicant's representative noticed that, in the Final Office Action mailed September 9, 2003, the Examiner did not return the PTO Form 1449 that Applicants mailed with the Supplemental Information Disclosure Statement on June

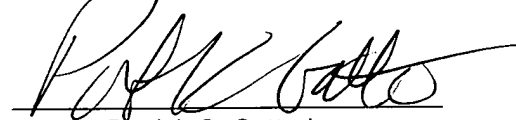

17, 2003. Applicant's representative spoke with the Examiner on the telephone on October 20, 2003. The Examiner stated that the references had been lost in the Office and asked Applicant's representative to resubmit copies of the references. Therefore, Applicants filed the first (Resubmitted) Supplemental Information Disclosure Statement on October 28, 2003.

The original Supplemental Information Disclosure Statement filed June 17, 2003, included a check in the amount of \$180.00 for filing the Information Disclosure Statement. Accordingly, Applicant's submit that the appropriate fee has been paid. If the Office has a different opinion, please charge any additional fees or credit any overpayment to Deposit Account Number 13-2490. A duplicate of this sheet is enclosed.

Respectfully submitted,

McDonnell Boehnen Hulbert & Berghoff
